Dear Members
On Monday 5th April 1993, Worthing Council decided not to renew the Public Entertainment licence for Sterns Nightclub The owners of Sterns has instructed his solicitor to appeal against this decision and is prepared to take the case as high as needs be to achieve the required result, which of course is the renewal of our licence STERNS IS OPEN AS USUAL PENDING APPEAL.

We feel we are being unfairly victimised because we are promoting House and Rave, which as we know has attracted much bad press concerning the issue on drugs

We need as much support in our fight as possible, so we are contacting all our Members past and present plus all the DJ s, PA.s and Technical Services that we have had any business dealings with over the past three years, not to mention all the magazines that cover the Dance Music scene and any other favourable media coverage we can get. Any help you can give us would be much appreciated, what we need are letters of support, not just for Sterns but for the dance music scene in general, as it seems this area of entertainment is coming under more and more pressure What the authorities fail to understand is by closing down well run legal venues they may just push the scene back underground which could result in the increase in illegal parties where there is little or no control over the safety of those who attend Surely it must be better to have a thousand people in a safe and well run environment?
STERNS NEEDS YOUR SUPPORT!!!!
Please send any correspondence to the address at the top of this page Any points no matter how small will ALL be appreciated!!

Please don't let their occasional presence put you off coming to Sterns we understand their feelings on the issue of drugs and the general safety of the people who come to Sterns and have taken appropriate steps to make Sterns a safe place for all On the letters page is a letter explaining the above in more detail and how you can help us in our fight to keep Sterns open, so PLEASE don't give up on us as we feel we are providing a good and safe nights entertainment for the enjoyment of all.
